

Districtr

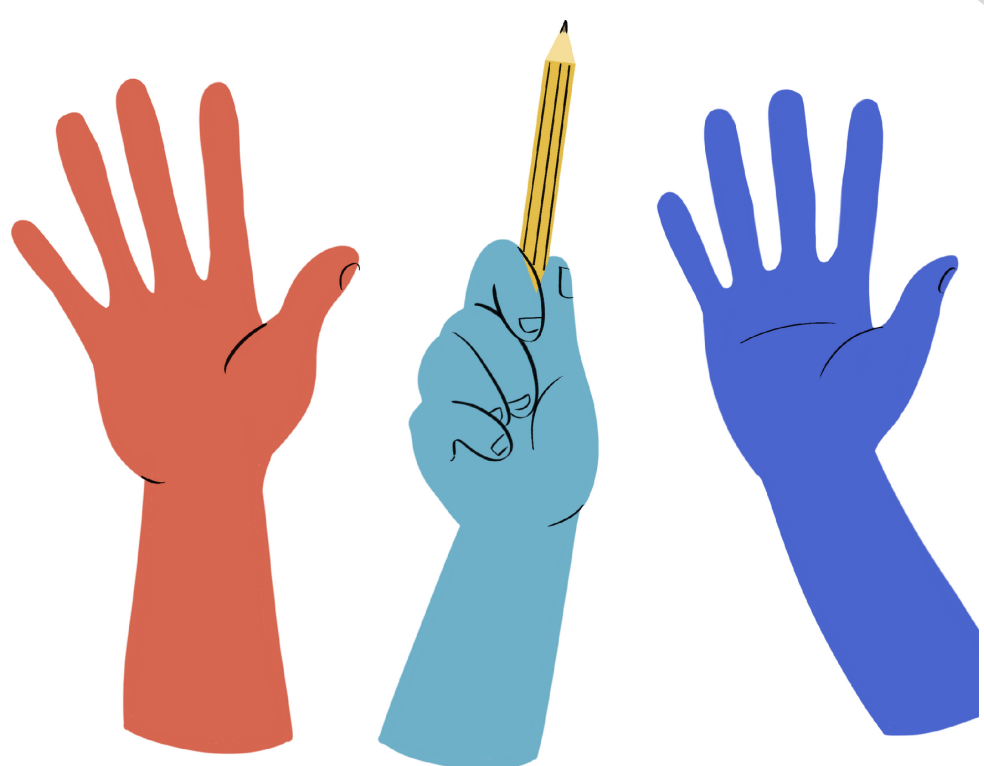

for communities

We're extending through February! MGGG Redistricting Lab will hold **Train the Trainers** sessions for collecting community input with [Districtr.org](https://districtr.org) every Mon and Weds at 7pm ET.

During these one-hour sessions, you will learn about:

- Communities of Interest (COIs) and their role in redistricting
- Engaging with community partners to collect COIs from across your state, county, or city
- Tips and best practices for collecting COI input
